

Peer Evaluation Form

Date:_____ Your Name:_____

Assignment/Project: _____

Evaluate the quality/quantity of each group member's contribution by dividing 100 points among the group members. The total points assigned should equal 100. Consequently, group members contributing less than their fair share should be assigned fewer points while group members contributing more than their fair share should be assigned more points.

Group Members:	<u>Points Assigned</u>
1.(your name)_____	_____
2._____	_____
3._____	_____
Total	<u>100</u>
